

Small Business Loans

VMS provides small businesses with the capital they need to grow.

VMS judges the health of your business based on your cash flow – not just credit scores. Our in depth understanding of small businesses means that we can provide capital to businesses in as fast as 5-7 business days.

What Our Customers Say

"I just wanted to thank you again for the great experience I had in acquiring a \$50,000 Working Capital Loan from you. Simply put, you folks "get me." It is so refreshing to work with someone who truly understands how small businesspersons like myself operate in everyday America."
