

Vital® Mobile: Business on the go.

When you have to run your business from anywhere, run it with Vital Mobile.

Vital Mobile gives you access to robust reporting to provide you with the information and insights you need to help run your business.

Inventory Management

Get real-time data to better manage inventory expenses, maximize sales and help stay in stock.

Pricing and Discounts

Easily establish and manage price points and discount programs across products and locations.

Taxes and Tax Reporting

Set up, track and manage taxes for accounting procedures, and how they appear at the point of sale.

Customer Payments

Securely accept all payment types to help improve cash flow and profitability.

Vital Mobile

The easy way to take payments anytime, anywhere.

Just download the app, connect the card reader to your iOS or Android™ device, and start selling.

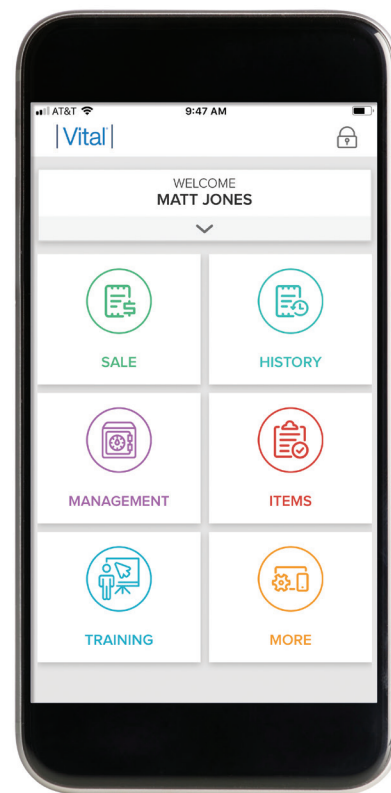

Vital C3 Card Reader

Inexpensive Bluetooth®-enabled, mag-stripe, and chip reader designed to accept payments on the go.

Vital C4 Card Reader

Easy-to-use Bluetooth solution processes chip, mag-stripe and NFC/contactless payments including payments from most digital wallets.

Phone not included.

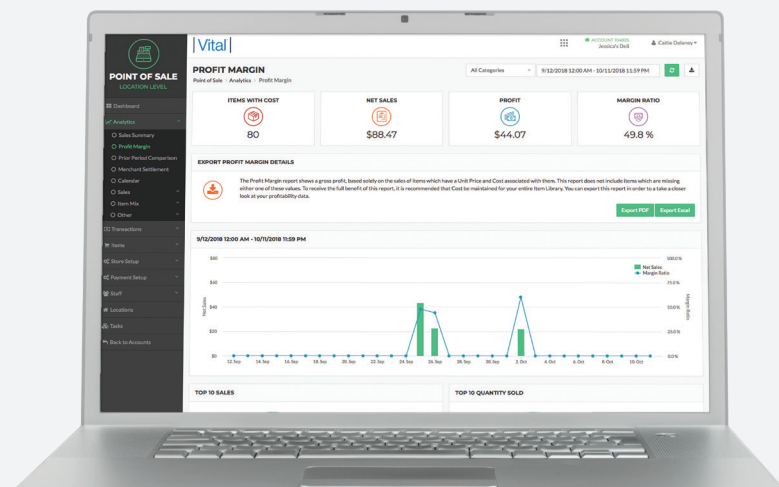

The powerful Vital Back Office.

Vital Back Office gives you access to the management tools, reporting, and insights that help you better manage and run your business – through any web browser – whenever you want and wherever you are.
