

Desk/1500

Nimble design to boost checkout at the counter

- Expand payment options with both traditional and alternative methods
- Affordable and reliable PIN pad to enhance payment experience
- Part of the Desk/series offering a unified consumer-facing solution

The Desk/1500 is a durable multi-payment acceptance solution designed to enhance customer experience at checkout.

Safe and secure payment

The Desk/1500 is certified to the industry's highest security standards.

All payment options

The Desk/1500 supports EMV chip & PIN, magstripe and contactless/NFC transactions including mobile wallets such as Apple Pay and Google Pay.

User-friendly and intuitive interface

Equipped with a clear contactless zone, a large keypad and an advanced consumer display, the Desk/1500 enhances usability and accelerates the checkout.

Easy integration

Compact by design and robust, the Desk/1500 fits easily on any counter.

Easy connectivity

The Desk/1500 can be connected to any Desk/series device via USB and offers a unified consumer-facing solution.
