

## Marketplace Overview

### **Your customers now have access to:**

- Multiple lenders with 14 Billion to loan
- Loans up to 100K (minimum loan \$1,000)
- Payback terms from 12-60 months (depending on lender)
- Rates as low as 5.99% (depending on lender and consumer credit profile)
- Quick funding of proceeds to consumer 48-72 hours
- No impact to their credit score to get pre-approved

### How the Loan Process Works

- Step 1:** Refer your customer to your apply page for loan approval (this can happen in the store, on their mobile device, or in the privacy of their own home)
- Step 2:** Customer will apply with no impact to their credit score for pre-approval
- Step 3:** Once approved, they will deal directly with the lender to complete all paperwork and supply any required documentation
- Step 4:** Lender funds consumer (typically 48-72hrs) and they return to your store or send you the payment for your goods and services
- Step 5:** You deliver the product or goods and service to your client!
- Step 6:** The lender bills your client each month - you have no liability to non-payment
