## QuickSale Buyer's Remorse & Returns

All QuickSale Buyer's Remorse returns can be requested by opening a ticket with a Charge Anywhere Support Specialist. Merchant or ISO will receive an RA number, with instructions where to return the equipment. RA Number must be written clearly outside of box. All devices must be return with original packaging, boxes, cables, wrapping materials. Upon receipt, equipment will be evaluated, approval for credit will be determined by the condition of the equipment.

Once the equipment is received, and has been vetted and approved, Charge Anywhere will issue a credit to the agent/merchant – minus any restocking fee (see above for more details) Shipping cost are non refundable. Items returned without an RA number or opened ticket number will not be accepted and returned at the senders expense.

Equipment returned without the original packaging will be evaluated, approval for credit will be determined by the condition of the hardware. Charge Anywhere will then issue a credit to the agent/merchant minus any restocking fee.

If you do not want to incur a \$250.00 restocking fee, you may keep the QuickSale equipment and request to redeploy it.

## Shipping

Cost is based on quantity and shipping option chosen through UPS (Ground, 2<sup>nd</sup> Day Air, Overnight). Shipping costs are non-refundable
