The Sky's the Limit

SKYTAB

BY SHIFT4

SkyTab At Your Service.

A next-gen restaurant platform packed with cutting-edge technology to boost your bottom line and deliver five-star guest experiences.

Revolutionize Your Restaurant

Create a dining experience that stands out from the competition and future-proof your restaurant with our best-in-class technology.

Mobile Ordering and Pay-at-the-Table
SkyTab Mobile is a complete mobile ordering and payment solution to supercharge restaurant efficiency and enhance the guest experience.

Integrated Online Ordering
SkyTab Online delivers a fully integrated online ordering solution with a custom branded online menu that syncs right to the POS.

QR Code Ordering and Payments
Turn tables faster by allowing customers to order and pay at their convenience by scanning a QR code with their phone.

Skyrocket Your Brand

Engage with customers and build your brand with powerful marketing tools.

Social Media Management
With built-in social media tools, you can manage your online presence and connect with customers.

Customer Loyalty Programs
Keep customers coming back with personalized promotions, rewards, and loyalty incentives.

Real-time Feedback
A simple star rating prompt at checkout alerts managers of poor reviews to address onsite.

Work Smarter, Not Harder

Take control of your business operations with powerful back-office management tools.

Reporting and Analytics
Take the guesswork out of business decisions and boost your bottom line with real-time data.

Cloud-based Back Office
Manage your entire operation with Lighthouse, your back office command center.

InCharge Mobile App
Keep a pulse on your business no matter where you are with a back office in your back pocket.
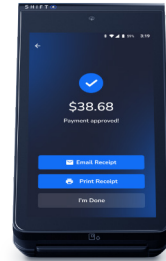

Next-Gen Hardware Solutions

Cutting-edge hardware to meet your business's unique needs – all with a lifetime warranty.

SkyTab POS System

Your restaurant's hub has a sleek design and flawless performance.

SkyTab Mobile

A handheld terminal to take orders and accept payment from anywhere.

SkyTab Glass

A purpose-built tablet optimized for efficient tableside ordering.

Kitchen Display

Supercharge your BOH efficiency with a kitchen display system.

Beyond the Point of Sale

There's more to your business than what happens at the point of sale. Centralize operations by seamlessly integrating a wide range of third-party services.
