

## Frictionless, Secure ACH Payments

CrossCheck's ACH Pay-by-Link with guarantee is a simple and convenient way to accept payments. Simply share a secure payment link, and your customer can easily checkout from anywhere. Our ACH solution with guarantee takes the risk out of accepting payments while improving the customer experience and driving revenue.

### Benefits of ACH Pay-by-Link

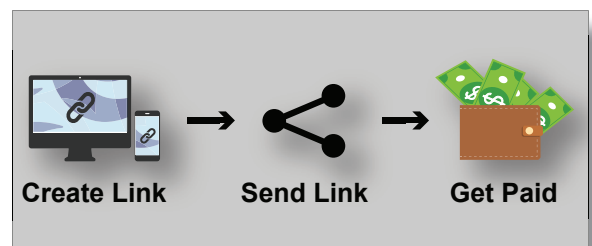

CrossCheck ACH Pay-by-Link with guarantee offers a variety of benefits:

- Easy to use
- Customizable
- Carbon friendly
- Competitive pricing
- Payment tokenization
- Mult-platform support
- Consumer app not required
- Elevated customer experience

Merchants using our ACH service have a competitive advantage because studies show that paying via text and email is preferred by many consumers.

### Who uses ACH Pay-by-Link?

ACH Pay-by-Link is a great fit for any business, including auto dealerships, auto aftermarket shops, building supply centers, home furnishing stores, and heavy equipment facilities as well as medical, dental and veterinary offices.
