
Valued Merchant Services Simple Lead Generation Scripts

Simple scripts for setting appointments and creating warm leads in specific vertical markets

1. Restaurants (Cafés, Casual & Fine Dining)

Introduction: "Hi [Owner's Name], this is [Your Name] from Valued Merchant Services. How's everything at [Restaurant Name]? I'm calling because we've recently helped several local restaurants lower their processing fees significantly."

Pain Points & Benefits: "I know restaurants like yours often struggle with high transaction fees and slow funding. Our clients typically see clearer, lower rates and faster deposits—often next day—plus advanced EMV and mobile payment options that diners appreciate."

Objection Handling: "I totally understand changing processors seems daunting, but we handle all the details and integration seamlessly, ensuring zero downtime."

CTA: "Could we schedule just 15 minutes next week to show you how this works?"

Personalization Tip: Reference recent industry challenges such as rising food costs or staffing issues.

2. Retailers (Boutiques, Convenience, Specialty Retail)

Introduction: "Good afternoon [Owner's Name], it's [Your Name] from Valued Merchant Services. Quick question—are you currently happy with your payment processing provider at [Store Name]?"

Pain Points & Benefits: "Many retailers are facing hidden fees and outdated terminals. With us, you'd enjoy transparent pricing, modern NFC terminals, and much faster payment settlements."

Objection Handling: "Most clients worry about lengthy contracts, but we offer flexible terms and handle the full setup. It's a hassle-free switch."

CTA: "Would next Tuesday work for a quick demo? It takes about 10 minutes."

Personalization Tip: Mention specific retail trends or challenges like online vs. in-store experiences.

3. Home Service Providers (HVAC, Plumbing, Electrical)

Introduction: "Hello [Owner's Name], this is [Your Name] with Valued Merchant Services. We've been working with several HVAC companies in your area, helping simplify their payment processes."

Pain Points & Benefits: "Common frustrations are delayed funding and difficult integrations with scheduling software. We solve those issues with fast deposits, seamless software integration, and portable payment solutions for field techs."

Objection Handling: "Switching is much easier than you might think, and there's no downtime—our tech support ensures it's smooth from day one."

CTA: "Could we set up a brief call later this week to explore this further?"

Personalization Tip: Highlight seasonal fluctuations like summer/winter workload peaks.

4. Personal Service Providers (Salons, Spas, Barbershops)

Introduction: "Hi [Owner's Name], it's [Your Name] from Valued Merchant Services. Hope business at [Salon/Barbershop Name] is thriving!"

Pain Points & Benefits: "We often hear about frustrations with high fees and limited payment methods from salons and spas. We offer simplified pricing, quick transactions, and convenient mobile and contactless payment solutions."

Objection Handling: "Most of our salon clients felt the same at first, but quickly saw how easy and beneficial the switch was—particularly loving our personalized customer support."

CTA: "Would you have 10 minutes tomorrow for a brief, no-pressure overview?"

Personalization Tip: Discuss popular trends in wellness and customer experience enhancements.

5. Medical & Dental Practices

Introduction: "Good morning, [Practice Manager/Doctor Name], I'm [Your Name] from Valued Merchant Services. I understand your practice at [Practice Name] probably prioritizes patient convenience."

Pain Points & Benefits: "Many medical offices struggle with slow payments and outdated tech. Our services speed up transactions, integrate effortlessly with medical management software, and enhance patient satisfaction with multiple payment options."

Objection Handling: "If integration worries you, rest assured we coordinate directly with your software provider to minimize any disruption."

CTA: "How about scheduling a quick demonstration next Monday or Tuesday?"

Personalization Tip: Address regulatory compliance or recent healthcare payment trends.

6. B2B Companies (Wholesalers, Distributors)

Introduction: "Hey [Owner's Name], it's [Your Name] from Valued Merchant Services. Are high transaction costs and processing delays impacting your bottom line at [Company Name]?"

Pain Points & Benefits: "Our wholesale clients love our transparent pricing, rapid funds availability, and easy accounting integration. We streamline payment processes significantly."

Objection Handling: "I get that changing seems inconvenient, but our clients find the immediate cost savings and operational ease more than worth it."

CTA: "Could we pencil in a quick 10-minute call later this week to discuss further?"

Personalization Tip: Reference common inventory or supply chain issues.

7. Specialty Businesses (Auto Repair, Fitness, Pet Care)

Introduction: "Hi [Owner's Name], it's [Your Name] from Valued Merchant Services. Quick check-in—how satisfied are you with the current payment setup at [Business Name]?"

Pain Points & Benefits: "Specialty businesses often tell us they're burdened by high processing fees and outdated terminals. We offer competitive rates, swift transaction processing, and terminals designed for your industry's needs."

Objection Handling: "The transition is straightforward—our local team ensures minimal disruption and maximum benefit."

CTA: "Are you open for a brief conversation this Thursday?"

Personalization Tip: Bring up industry-specific customer experience issues, like contactless or mobile payments.

8. Cities & Municipalities

Introduction: "Hello, this is [Your Name] with Valued Merchant Services. We're assisting local offices like yours to simplify payment processing and reduce operational costs."

Pain Points & Benefits: "Common pain points for municipalities include outdated tech and integration headaches. We deliver robust, easy-to-use systems that seamlessly integrate with your existing software."

Objection Handling: "We manage every detail of implementation to ensure zero disruption in public services."

CTA: "Could we arrange a short meeting next week to review your needs?"

Personalization Tip: Mention community-focused events or projects.

9. Law Offices

Introduction:

"Hello, this is [Your Name] with Valued Merchant Services. Hope you're having a great day! I know you're busy, so I'll be brief—my goal is just to quickly share how we've helped several local law practices simplify their payment processes."

Pain Points:

"We've found many law offices struggle with overly complicated payment structures, high transaction fees for larger retainers, and outdated terminals that don't support modern payment methods clients increasingly prefer, like online invoicing or secure mobile payments."

Benefits:

"At Valued Merchant Services, we provide clear, transparent rates specifically tailored for legal transactions, fast processing times so your firm can access client funds quickly, and the latest secure technology—including mobile and online payment solutions—that seamlessly integrate with your existing practice management software."

Objection Handling:

"If you're happy with your current processor, that's great—I completely understand. Many firms initially felt the same but found that even a quick comparison showed meaningful improvements in cash flow and client satisfaction without any major hassle switching providers."

CTA:

"Could we schedule a short, no-pressure demo this week or next? I'd love to show you exactly how it could enhance your firm's efficiency and client experience."

Customization Tip:

Mention recent trends such as the rise in online client invoicing or secure payment portals commonly adopted by other local firms.

10. Accounting & CPA Firms

Introduction:

"Hi, this is [Your Name] from Valued Merchant Services. Thanks for taking my call! We're helping CPA firms streamline payment acceptance, particularly during the busy seasons, and I'd love to briefly explain how."

Pain Points:

"Many accounting professionals have shared that they deal with unnecessarily high fees for credit card payments, slow deposit times delaying cash flow, and challenges integrating their payment systems directly into their accounting software."

Benefits:

"With Valued Merchant Services, you'd enjoy simplified pricing structures designed specifically for professional services, accelerated funding schedules to improve your firm's cash flow, and seamless integrations with popular accounting platforms like QuickBooks—making reconciliation faster and much simpler."

Objection Handling:

"I get it—changing payment systems might seem disruptive. However, most of our accounting clients were pleasantly surprised by how simple and beneficial switching was, especially after seeing significant improvements in cost savings and client billing convenience."

CTA:

"How about scheduling a brief, hassle-free consultation sometime this week or next? It'll give you a clear idea of how much easier and cost-effective your payments process can be."

Customization Tip:

Reference the increased demand for integrated invoicing and real-time transaction reconciliation that's trending within the accounting industry to highlight added relevance.
