INCREASE YOUR DONATIONS!

Givehub offers: Free Donation Kiosks, Text Giving, Mobile Apps and Online Giving which has helped thousands of ministries and non-profits generate up to 50% in additional revenue, with about 1 in 4 donations coming from first time donors. Our product suite will allow your organization to:

Collect Donations:

Donations are now safe, fast and convenient. Our donation page is customizable and donors can make a one-time or recurring donation. Donations can be split into multiple custom funds/categories.

Plan Events (Event Registration and Volunteer Sign Up's):

Add custom and unlimited free or paid events to your calendar. Attendees can register for events - such as bible study, VBS, weekend retreats, camps, special events, concerts, campaigns etc. You're able to add pricing to events and collect payments from the kiosk, mobile devices or online. Volunteers can sign up where ever they are needed.

Children's Check-in:

Members can check-in themselves or their children. Customized reports let you view who checked-in and when. Optional printer can be used to print check-in labels for parents and children.

Online Giving / Mobile Giving:

We will provide a link for your website so your online giving will look the same as the kiosk app. Enables online donations and event registration from any Internet connected device and smart phones with a QR Code so smartphone users can give right from their seat or anywhere else.

Text Giving/ All-in-1 Marketing:

Text giving lets your donors use a simple text for Donations and Event sign-ups. Giving can be done in seconds! We also have text/email/voice marketing/broadcast that lets your send blast messages to groups or your entire organization. Plus A LOT more!
