### AGREEMENT

- MERCHANT'S AUTHORITY.** MERCHANT specifically warrants to Paya-EFT that MERCHANT has taken all necessary legal action and has authority to enter into this Agreement with Paya-EFT. It further warrants that the person(s) signing for and on behalf of MERCHANT is specifically authorized and directed to do so by MERCHANT. MERCHANT acknowledges that this Agreement constitutes the legal, valid and binding obligation of MERCHANT, enforceable in accordance with its terms. The attached Schedules for the POS Conversion, QSP, Check 21+ Remote Check Deposit, Checks-By-Phone, Checks-By-Web, ACH Debit, Checks-By-Phone, and Paper Guarantee services are hereby incorporated into these T&C's to the extent Merchant selects such services in the Application. These T&C's are only applicable to the Paper Guarantee services to the extent set forth in Sections 23 -43 and the Paper Guarantee Schedule attached hereto.
- MERCHANT's PUBLIC DISCLOSURE RESPONSIBILITIES.** Paya-EFT shall provide signage to be displayed at the point of purchase (POP) or payment collection site, which informs customers of the applicable (i) MERCHANT'S use of Paya-EFT Electronic Check Processing Service; or (ii) electronic debit for the amount of any state allowable NSF or recovery fee as stated in Section 3 of the Check 21+ Remote Check Deposit Addendum. MERCHANT agrees to display these materials in the best visible and unhindered location so as to inform the public of, if applicable, such electronic debit entry or that MERCHANT will honor electronic check and ACH processing services (as applicable) provided by Paya-EFT. From time to time, Paya-EFT may disseminate (i) changes to rules governing the Services; and (ii) educational and promotional materials to MERCHANT for MERCHANT to distribute to customers. MERCHANT further agrees to immediately (i) remove and properly dispose of Paya-EFT's stale promotional materials and to display the most current materials upon receipt of such from Paya-EFT; and (ii) comply with such rule changes. MERCHANT will discontinue the use of all of Paya-EFT's promotional materials and properly remove said materials upon receipt of written notification of suspension or termination of this Agreement. In the event Merchants' account is reinstated by Paya-EFT after suspension, MERCHANT shall redisplay appropriate materials upon receipt of written verification of resumption of service by Paya-EFT.
- RESTRICTIONS ON USE OF PROMOTIONAL MATERIALS AND REPRESENTATIONS CONCERNING Paya-EFT's SERVICES.** MERCHANT shall make no use of Paya-EFT's promotional materials, marks, or software, other than as set forth in paragraph 2 above, without Paya-EFT's prior written consent. In no way shall the MERCHANT indicate that Paya-EFT's services are an endorsement of the MERCHANT, its business or its business practices. In the event of termination, MERCHANT immediately shall properly discard all software related to Paya-EFT services at MERCHANT's expense.
- SURCHARGES AND TAXES.** MERCHANT shall not impose any illegal surcharge on any processed ACH, Remote Check Deposit (Check 21 Plus) processed check, or electronically processed check transaction. MERCHANT shall collect all required taxes at time of sale. All required taxes must be included in the total transaction amount at the time such is submitted for authorization by Paya-EFT and must be reflected in the face amount of the check or ACH Debit (if applicable). In any event, MERCHANT shall not collect any required taxes separately in cash, or otherwise. MERCHANT is responsible for paying all taxes collected to the appropriate authorities in a timely manner.
- USE OF EQUIPMENT.** MERCHANT agrees to utilize only equipment and software (including payment gateways) approved by Paya-EFT for the electronic processing of checks and ACH Debits and in a format and medium of transmission acceptable to Paya-EFT.
- NETTING OF TRANSACTIONS.** MERCHANT acknowledges that all transactions between Paya-EFT and MERCHANT under this Agreement, except assessment of fees, shall be treated as a single transaction for purposes of daily settlement between MERCHANT and Paya-EFT. The Settlement period varies depending on the Service. Chargebacks may be deducted from net settlement or may be debited from MERCHANT's account if no pending credits are available to offset the chargeback.
- PAYMENT.** MERCHANT acknowledges that this Agreement provides for the provisional settlement of MERCHANT'S transactions, subject to certain terms and conditions, fees, credit transactions, contingent claims for chargebacks, adjustments and final settlement including but not limited to those enumerated herein. All payments to MERCHANT for legitimate and authorized transactions shall be made by Paya-EFT through the ACH and shall normally be electronically transmitted directly to MERCHANT'S designated account. However, Paya-EFT cannot guarantee the timeliness with which any payment may be credited by MERCHANT'S bank. MERCHANT understands that due to the nature of the ACH and the electronic networks involved and the fact that not all banks belong to an ACH, payment to MERCHANT can be delayed. In such cases, MERCHANT agrees to work with Paya-EFT to help resolve any problems in crediting MERCHANT'S designated account. In the event that a payment is rejected by MERCHANT'S bank or fails to arrive within seven (7) banking days from the date of settlement due to problems beyond Paya-EFT'S control, Paya-EFT may periodically wire transfer all funds due MERCHANT until the problem is corrected, at MERCHANT'S EXPENSE. All payments to MERCHANT shall be made after first deducting therefrom any discount fee, transaction fee, credit, chargeback, reserve or other fee or charge for which MERCHANT is responsible pursuant to this Agreement. Said charges and fees shall be deducted from incoming transactions or may be debited against MERCHANT'S designated Account at Paya-EFT's sole discretion, without any further notice or demand.
- AUTHORIZATION TO ACCESS MERCHANT'S ACCOUNT.** MERCHANT hereby authorizes Paya-EFT to initiate debit and credit entries to MERCHANT'S designated account. MERCHANT's authorization shall continue in effect for at least 120 days after termination of this Agreement, or for a longer period as determined necessary by Paya-EFT in the exercise of its sole discretion in order to properly terminate business. Unless a reserve or delay is placed on the MERCHANT'S account, Paya-EFT will generally transmit settlement to MERCHANT's bank within 7 business days. In cases where MERCHANT has been approved by Paya-EFT in advance to initiate credit entries, the debit to MERCHANT's account will be initiated first and the credit to the customer may be held until MERCHANT's debit clears, generally within 6 banking days or for a longer period as determined necessary by Paya-EFT to insure the funds have cleared MERCHANT's account. With respect to the Services, (i) settlement shall consist of a 7 banking day net settlement unless approved in advance by Paya-EFT in writing settlement shall consist of a 7 banking day net settlement unless approved in advance by Paya-EFT in writing; and (ii) No MERCHANT or customer is authorized to initiate a customer credit Entry, except where the Entry is the result of a reversal of a previous WEB debit Entry. Returns received after a transaction has been settled may be offset and deducted from current outstanding funds due to MERCHANT, or returns may be charged back to MERCHANT's account at Paya-EFT's discretion. MERCHANT specifically authorizes Paya-EFT to debit MERCHANT's account via Automated Clearing House (ACH) transfer for any previously funded transaction that is returned, and MERCHANT warrants to Paya-EFT that MERCHANT will maintain a sufficient balance to cover return entries and to promptly notify Paya-EFT of any changes to MERCHANT's accounts. In addition, Paya-EFT may require additional monetary sums for the reserve account from MERCHANT, and Paya-EFT reserves the right to hold additional monies as necessary to reduce any risk associated with the daily processing of checks, as requested by MERCHANT. In the event of processing termination, Paya-EFT may hold outstanding funds due to MERCHANT for up to one-hundred-twenty (120) days from the transaction date if Paya-EFT determines that the return history reasonably justifies the holding of funds. Paya-EFT may hold back certain amounts where Paya-EFT is investigating a transaction for breach of warranty or transactional requirements by MERCHANT or for other reasons. Paya-EFT shall monitor MERCHANT's transactional activity and MERCHANT agrees that Paya-EFT may delay funds for a reasonable period to investigate account activity. Paya-EFT will attempt to notify MERCHANT of any investigation, but Paya-EFT shall have no liability to MERCHANT or any other party, for any such actions taken by Paya-EFT. MERCHANT agrees that Paya-EFT may hold, setoff or retain funds to protect against amounts owed Paya-EFT or based on MERCHANT's transaction history and/or MERCHANTS' financial condition. Paya-EFT will not be liable for any dishonor of any item as a result of actions taken hereunder. Any account is subject to review, verification, audit and acceptance by Paya-EFT. Paya-EFT may return any item to MERCHANT for correction or proper processing.
- RETURNS AND CREDITS.** MERCHANT shall maintain a fair policy permitting refunds, exchanges, returns and adjustments. During the term of this Agreement, MERCHANT shall be responsible for making all cash, check, or ACH Debit refunds to customer after a transaction has been batched out for settlement. Unless MERCHANT has been approved by Paya-EFT in advance to initiate credit entries for a lesser amount than the original check, electronic check, or ACH Debit entry, MERCHANT must initiate a credit receipt for the same amount as the original check or debit entry to effect voids, which occur the same day as the day of authorization and prior to batching out. As applicable, MERCHANT must use the POP equipment, approved Paya-EFT software, or ACH Debit Software to transmit the credit. MERCHANT shall obtain proper written authorization from the Customer whose name is used in the transaction or printed on the face of the check or the customer's authorized representative prior to crediting Customer's account. Except for Checks-By-Web, the customer or its authorized representative shall sign the completed credit receipt and a copy of the credit receipt shall be delivered to the customer at the time of each cancellation of a transaction. Each void, debit, and credit entry shall constitute a separate transaction for which a processing fee will apply. If it becomes necessary for a reversal of a transaction to be initiated, MERCHANT shall request in writing to Paya-EFT to initiate such reversal. MERCHANT shall give Paya-EFT enough information to create such reversal. A fee of no more than twenty-five dollars for each transaction reversal may be charged by Paya-EFT.
- WARRANTIES BY MERCHANT.** MERCHANT warrants and agrees to fully comply with all federal, state, and local laws, rules and regulations, as amended from time to time, including those with respect to consumer protection. MERCHANT also warrants not to change the nature of its business as indicated on the Application attached hereto and submitted herewith or to modify the ownership of the business without the prior written consent of Paya-EFT. With each transaction presented to Paya-EFT by MERCHANT for authorization, MERCHANT specifically warrants and represents that: (a) each customer has authorized the debiting or crediting of its checking account, that each debit or credit is for an amount agreed to by the customer; (b) each debit or credit entry was authorized by the person named on the checking account or the authorized representative or agent of such person; (c) the sales receipt or other proof of purchase is valid in form and

has been completed in accordance with all applicable laws and all of the provisions set forth in this Agreement; (d) the total amount of each sales receipt or other proof of purchase evidences all goods and services purchased in a single transaction (No splitting check transactions to multiple checks as applicable); (e) MERCHANT has delivered the goods or completed the services identified in the authorized sales receipt; (f) each sales draft and check represents a bona fide direct sales transaction between the MERCHANT and the person presenting the check or ACH Debit in the MERCHANT'S ordinary course of business and that the amount of the sales draft or check evidences the customer's total indebtedness for the transaction involved; (g) the person presenting the check or ACH Debit has no claim, defense, right of offset, or dispute against MERCHANT in connection with the purchase of the goods or services and MERCHANT will provide adequate services to the person presenting the check or ACH Debit and will honor all warranties applicable thereto; and (h) all of MERCHANT'S business locations engage in the business activity listed on the face of this Agreement.

11. **CHARGEBACKS AND RETURNS.** Paya-EFT and third-party bank partners will monitor MERCHANT for adherence to established maximum acceptable return rate thresholds as established by the Rules which are as follows: Overall return rate level of 15% or less, Administrative return (R02, R03, R04) rate level of 3% or less, and an Unauthorized return (R05, R07, R10, R29, or R51) rate level of 0.5% or less. MERCHANT shall bear all risk of loss, without warranty or recourse to Paya-EFT for the amount of any transaction, applicable fees, or other amounts due Paya-EFT (including Paya-EFT's actual costs and expenses) due to or caused by chargebacks and returns of any kind, whether for customer chargebacks, insufficient funds returns, administrative or corporate returns, or any other type of returns, except as set forth in this Agreement and the Paya-EFT POS GUARANTEE CONVERSION, ACH DEBIT GUARANTEE, Checks-By-Phone Guarantee, and Remote Deposit Capture (Check 21 Plus) with Guarantee Schedules below (provided that MERCHANT has purchased and Paya-EFT agreed to provide Guarantee services). Paya-EFT shall have the right to debit MERCHANT'S incoming transactions, designated account or any other funds of MERCHANT in Paya-EFT's direct or indirect control by reason of Paya-EFT's security interest granted to Paya-EFT by MERCHANT hereunder, and to chargeback such transactions to MERCHANT including, but not limited to any of the following situations: (a) where goods have been returned or service canceled by the person submitting the applicable check or ACH Debit for electronic processing or Remote Deposit Capture (Check 21 Plus) processing and that person has requested a credit draft and such credit draft was not processed by MERCHANT; (b) where the sales draft or purchaser breaches any representation, warranty or covenant or failed to meet the requirements of this Agreement, or applicable law, or has not been authorized in advance by the authorization center as required hereunder; (c) where the transaction is for a type of goods or services sold other than as disclosed in the MERCHANT application or approved in advance by Paya-EFT or the amount shown on the sales receipt or proof of purchase differs from the copy given to the customer; (d) where a customer contends or disputes in writing to Paya-EFT, or the customer's financial institution named on the check or ACH Debit that: (1) Goods or services were not received; or (2) Goods or services received do not conform to the description on the sales receipt or proof of purchase; or (3) Goods or services were defective or the customer has a claim, dispute or defense to payment related to the transaction; or (4) The dispute reflects a claim or defense authorized by a relevant statute or regulation, (e) where a check authorization document or recording, proof of purchase, or credit receipt was not received by Paya-EFT as required herein or is subject to indemnification charged back by the customer's financial institution; (f) where the transaction was generated through the use of an account that was not valid (As in, but not limited to, R03, R04 return codes) or effective (As in, but not limited to, R02 return code) on the transaction date or which was made on an altered, fraudulent, or counterfeit check authorization document, recording, or ACH debit or of which MERCHANT had notice not to honor and failed to reject the transaction or if MERCHANT disregarded any denial of authorization; (g) where the check results in a R29 return (Unauthorized ACH entry to Corporate Account) and any collection efforts are not successful; (h) where no signature or electronic acceptance of the transaction appears on the sales check authorization document (as applicable) or proof of purchase (or the proof of purchase does not contain the information from the ACH Debit), where customer did not authorize via recorded oral authorization, or if MERCHANT failed to obtain specific authorization in advance from Paya-EFT to complete the transaction and/or a valid authorization number was not on the sales receipt or proof of purchase and/or the customer has certified in writing to Paya-EFT or his financial institution that no authorized user made or authorized the transaction; (i) where security procedures were not followed; (j) where the customer's financial institution or Paya-EFT has information that MERCHANT fraud occurred at the time of the transaction(s), or the transaction is not a sale by MERCHANT whether or not such transaction(s) was authorized by the customer; (k) in any other situation where the check authorization or proof of purchase was executed or a credit was given to MERCHANT in circumstances constituting a breach of any representation or warranty of MERCHANT or in violation of applicable law or where MERCHANT has not provided documents or resolved a customer dispute whether or not a transaction is charged back; (l) an Entry was charged back and represented whether or not the customer knows or consents to this representation. If, with respect to any one of MERCHANT'S outlets, the amount of or number of any counterfeit or fraud incidents becomes excessive, in the sole determination of Paya-EFT; (m) MERCHANT does not provide Paya-EFT with a copy of the signed authorization receipt or recorded oral authorization within forty-eight (48) hours from the time of Paya-EFT's request. MERCHANT may be charged back for all transactions, this Agreement may be terminated immediately without notice, and MERCHANT'S funds, including but not limited to those in incoming transactions and in MERCHANT'S designated account, shall be held pursuant to the provisions herein. Paya-EFT shall retain any discount or fee related to a chargeback transaction. MERCHANT agrees that Paya-EFT will assess up to twenty-five dollars for each chargeback, or such increased or additional charges as may be established by Paya-EFT from time to time. **Additionally, Paya-EFT shall have the same rights to debit MERCHANT's account for transactions returned or not honored for any reason, including but not limited to insufficient funds, administrative or corporate returns, or any other kind of returned transaction. If MERCHANT has requested the Paya-EFT GUARANTEE service, and Paya-EFT has accepted the application for Guarantee service, certain transactions are guaranteed, as listed in this Agreement, including the Paya-EFT POS GUARANTEE CONVERSION Remote Check Deposit (Check 21 Plus) with Guarantee, Checks-By-Phone Guarantee, or ACH DEBIT GUARANTEE Schedules below.**
12. **CHARGEBACK AND RETURNS RESERVE ACCOUNT.** Notwithstanding any other language to the contrary contained in this Agreement, Paya-EFT reserves the right to establish, without notice to MERCHANT, and MERCHANT agrees to fund a non-interest bearing Chargeback and Return Reserve Account, or demand other security and/or to raise any discount fee or transaction fee hereunder, upon Paya-EFT's reasonable determination of the occurrence of any of the following: (a) MERCHANT engages in any processing of charges which create an overcharge to the customer by duplication of charges; (b) **Failure by MERCHANT to fully disclose the true nature or percentage of its (i) actual or intended telephone and/or mail order business; and (ii) actual or expected losses due to insufficient funds transactions, fraud, theft or deceit on the part of its customers, or due to administrative chargebacks/returns, or chargebacks or rejections by customers;** (c) **Failure by MERCHANT to fully disclose the true nature of its business to Paya-EFT to permit a fully informed decision as to the suitability of MERCHANT for processing through Paya-EFT;** (d) Failure by MERCHANT to fully disclose the true ownership of MERCHANT'S business entity or evidence of fraud; (e) Processing by MERCHANT of unauthorized charges or any other action which violates applicable risk management standards of Paya-EFT or is likely to cause loss; (f) **Any misrepresentation made by MERCHANT in completion of the MERCHANT Application or breach of any other covenant, warranty, or representation contained in this Agreement or applicable law including a change of type of business without prior written approval by Paya-EFT;** (g) MERCHANT has chargebacks or returns of any kind which exceed 1% of the total number of transactions completed or dollars processed for Checks-By-Web Services by MERCHANT in any thirty (30) calendar day period; (h) Excessive number of requests from customers or issuing banks for retrieval of documentation; (i) MERCHANT'S financial stability is in question or MERCHANT ceases doing business; or (j) Upon notice of or termination of this Agreement. After payment or adequate provision for payment is made by Paya-EFT, for all obligations on the part of MERCHANT to Paya-EFT under this Agreement, MERCHANT may request Paya-EFT to disburse to MERCHANT any funds remaining in the Chargeback and Return Reserve Account unless otherwise agreed to by Paya-EFT. Such funds will not be disbursed to MERCHANT until the end of one hundred twenty (120) days after termination of this Agreement or ninety (90) days from the date of the last chargeback or return activity, whichever is later, unless Paya-EFT in its sole discretion has reason to believe that customer chargeback rights may be longer than such period of time or that loss is otherwise likely, in which event Paya-EFT will notify MERCHANT of such fact and Paya-EFT will set the date when funds should be released. No monies held in the Chargeback and Return Reserve Account shall bear interest. Provisions applicable to the designated account are also applicable to this account.
13. **COLLECTIONS.** MERCHANT acknowledges and agrees that when collection services are required, Paya-EFT may utilize an appropriately licensed third party to perform such collection services. MERCHANT further authorizes Paya-EFT to continue collection efforts for MERCHANT. If collections are unsuccessful after sixty (60) days, Paya-EFT shall discontinue collections and be absolved of all responsibility.
14. **PAYA-EFT POS GUARANTEE CONVERSION, CHECKS-BY-PHONE GUARANTEE, REMOTE CHECK DEPOSIT (CHECK 21 Plus), AND ACH DEBIT GUARANTEE.** The Paya-EFT POS GUARANTEE CONVERSION, Remote Check Deposit (Check 21 Plus) with Guarantee, Checks-By-Phone Guarantee, and ACH Debit Guarantee provisions are operational only if MERCHANT has marked the applicable Paya-EFT POS GUARANTEE CONVERSION, Checks-By-Phone Guarantee, Check 21 Plus with Guarantee, or ACH Debit Guarantee box on the application form of the Agreement. MERCHANT must utilize the Paya-EFT Virtual Terminal to qualify for the ACH Debit Guarantee coverage and the Paya-EFT Checks-By-Phone Gateway to qualify for Guarantee coverage. The ACH Debit Guarantee coverage is only available for Single ACH Debit services and are not offered for Recurring ACH Debit services. If so marked, MERCHANT wishes Paya-EFT to provide a guarantee for reimbursement of losses sustained by MERCHANT in accepting checks or Single ACH Debits for electronic or Remote Check Deposit (Check 21 Plus) processing. In addition to the provisions previously set forth and notwithstanding any provisions to the contrary, Paya-EFT has established a per account Guarantee Limit, as per the Schedule, based on a percentage of the face amount of any and all checks (and a local access [Transaction fee] fee) as set forth in the pricing section of the agreement) presented at MERCHANT'S place of business or at other locations which are listed in any attachments to this Agreement, subject to the terms and conditions set forth in this Agreement. Paya-EFT shall reimburse MERCHANT per Schedule, up to the Guarantee Limit, as measured from the date of verification of non-payment, subject to MERCHANT's compliance with all of the terms and conditions contained in this Agreement or any of Paya-EFT's other published instructions. Paya-EFT shall have the right to adjust MERCHANT'S rate including Paya-EFT POS Guarantee Conversion, Remote Check Deposit (Check 21 Plus) with Guarantee, Checks-By-Phone Guarantee, and ACH Debit Guarantee rate based upon its sole determination. Merchant must utilize the Virtual Terminal to qualify for ACH Debit Guarantee service and the Paya-EFT Checks-By-Phone Gateway to qualify for Checks-By-Phone Guarantee service. Each month MERCHANT shall have access to an itemized summary of applicable electronic check, Checks-By-Phone, Remote Check Deposit (Check 21 Plus) check, and ACH Debit deposits. Paya-EFT shall process up to the check limit established for MERCHANT, but will not be responsible for reimbursement of checks exceeding the MERCHANT'S approved guarantee limit. The following transaction types are not included in the Paya-EFT POS GUARANTEE CONVERSION, Remote Check Deposit (Check 21 Plus) with Guarantee, Checks-By-Phone Guarantee, or ACH Debit Guarantee service, and Paya-EFT assumes no liability for and will provide no reimbursement for transactions as follows: Incorrect MICR data reads, unable to locate account or invalid account number returns, (R29) Unauthorized Corporate returns, customer chargebacks or customer revocations of any transaction. Merchant agrees to provide any additional information to Paya-EFT on occasion as needed to

assist in collection efforts. **Guarantee reimbursement shall only serve to cover MERCHANT losses due to, NSF returns, and Insufficient Funds returns up to the per account guarantee limit placed in the approval section of the contract.**

15. **SWIFTSETTLE.** Merchant acknowledges that to receive SwiftSettle processing, merchant's transactions must be received prior to the established cutoff time by the Originating Depository Financial Institution ("ODFI"). Any transaction received after the established SwiftSettle cutoff will be processed in the standard evening processing cycle (i.e., the Effective Entry Date will be the next business day) and the SwiftSettle Transaction fee still applies. SwiftSettle is currently available through gateway and file transmission only. Support assisted reversals are not available for SwiftSettle items. Same day voids and reversals may be supported through the gateway (check with gateway provider to confirm functionality). A SwiftSettle Entry must be for an amount of \$25,000 or less, and an IAT Entry cannot be a SwiftSettle Entry. Paya does not represent or warrant that the Originating Depository Financial Institution ("ODFI") will timely transmit any Entry to its ACH Operator, or that the ACH Operator will timely transmit the Entry for same-day processing and settlement. It is understood that the ODFI, ACH Operator and Receiving Depository Financial Institution (RDFI) may impose additional requirements for SwiftSettle, in accordance with the NACHA Rules, or their own policies and procedures.
16. **MERCHANT PAYMENT OBLIGATIONS.** Merchant shall pay Paya-EFT the fees and charges for the Services rendered hereunder in accordance with the Fees and Charges as set forth in the Application. MERCHANT must promptly notify Paya-EFT in writing of any dispute regarding fees under this Agreement. MERCHANT'S written notice must include: (i) MERCHANT name and account number; and (ii) the dollar amount and description of the disputed fees. Such written notice must be received by Paya-EFT no later than ninety (90) days after the disputed fees have been paid by MERCHANT or charged to MERCHANT'S account by Paya-EFT. MERCHANT'S failure to so notify Paya-EFT will waive and bar the dispute. If applicable, for the purpose of billing a Mobile Image shall consist of the front-and-back of a check; any other image capture shall be billed as a separate image regardless of whether or not multiple images are of a single document.
17. **ASSIGNMENT OF CHECKS AND ACH DEBITS.** As of the date of this Agreement and by subscribing to Paya-EFT services, MERCHANT shall be deemed to have assigned to Paya-EFT, without recourse, all of MERCHANT'S right, title and interest in and all ACH Debits return fees and checks, including any rights to treble or punitive damages permitted under applicable law. MERCHANT shall execute and deliver endorsements, instruments, and papers and shall do whatever is necessary under the laws of any applicable jurisdictions to secure and defend Paya-EFT'S rights and shall do nothing to prejudice those rights. MERCHANT shall cooperate with Paya-EFT in pursuing Paya-EFT'S rights, including suing or prosecution of the customer under all applicable laws.
18. **COMPLIANCE AND DISCLOSURE OF INFORMATION.** MERCHANT agrees to comply with all applicable state or federal laws, rules and regulations affecting the use of checks, drafts and ACH transactions, including but not limited to rules and procedural guidelines established by the Federal Trade Commission ("FTC") and Regulation E (Reg. E). MERCHANT is solely responsible for any and all Losses incurred by MERCHANT or Paya-EFT in the event MERCHANT initiates any transaction prohibited by Regulation E Rules or other rules or laws of the United States of America ("USA") or in breach of this Agreement. MERCHANT shall provide such information and certifications as Paya-EFT may reasonably require from time to time to determine MERCHANT'S compliance with the terms and conditions of this Agreement and applicable law. MERCHANT further agrees to produce and make available for inspection by Paya-EFT or its officers, agents, attorneys, accountants, or representatives, such books and records of MERCHANT as Paya-EFT may deem reasonably necessary to be adequately informed of the business and financial condition of MERCHANT, or the ability of MERCHANT to observe or perform its obligations to Paya-EFT pursuant to this Agreement. MERCHANT further agrees to provide to Paya-EFT from time to time such information including, but not limited to, credit reports, personal and/or business financial statements, income tax returns, or other such information as Paya-EFT may request. MERCHANT grants to Paya-EFT continuing authority to conduct credit checks and background investigations and inquiries concerning MERCHANT and MERCHANT'S owner(s) including, but not limited to, character and business references and the financial condition of MERCHANT and MERCHANT'S owner(s). MERCHANT expressly authorizes Paya-EFT or its agents, attorneys, accountants, and representatives to provide and receive such information from any and all third parties directly, without further consent or authorization on the part of MERCHANT. Paya-EFT may share with others its credit, sales and other information. MERCHANT will not transfer, sell, or merge or liquidate its business or assets or otherwise transfer control of its business, change its ownership in any amount or respect, engage in any joint venture partnership or similar business arrangement, change its basic nature or method of business, types of products sold or engage in sales by phone or mail order without providing notice to Paya-EFT and provide Paya-EFT with the opportunity to terminate this Agreement.
19. **COMPLIANCE WITH THE RULES AND APPLICABLE LAW.** MERCHANT'S rights and obligations with respect to any Entry are governed by the NACHA Rules ("the Rules"), this Agreement and applicable law. The Merchant agrees to comply with and be bound by "the Rules". MERCHANT agrees to comply with applicable state and federal law or regulation and Merchant warrants that it will not transmit any Entry that violates the laws of the United States, including, without limitation, regulations of the Office of Foreign Asset Control (OFAC).
20. **DATA RETENTION.** MERCHANT shall retain all records related to authorization, including all sales and credit receipts and authorizations for a period of no less than two years following the date of the transaction, or two years from authorization revocation if applicable. According to Paya-EFT'S current Paya-EFT policies, MERCHANT shall, as applicable, stamp or mark "ACH processed" and hand the check back to the check writer and retain for a period of 2 years all ACH Debits received from customers. **If check is handed back to check writer, ACH authorization form is handed back to consumer, or recorded oral authorization is lost then MERCHANT acknowledges that Paya-EFT will not be able to provide any check collection services beyond the third electronic presentment of the check. Failure to provide the signed authorization receipt, form, or recorded oral authorization to Paya-EFT will result in cessation of collection efforts, and Paya-EFT will be entitled to immediately debit MERCHANT'S account for any previously processed and returned transactions.**
21. **ADDITIONAL MERCHANT REPRESENTATIONS.** MERCHANT agrees to permit Paya-EFT to audit MERCHANT upon reasonable notice. MERCHANT agrees that any outstanding amount(s) owed to Paya-EFT shall be subject to a 1.5% finance charge monthly. Any outstanding sums will be sent to an outside collection agency and charged the maximum amount of civil, legal, and collection fees/charges as is allowed by law. MERCHANT will not disclose and will keep confidential the terms and conditions of this Agreement.
22. **ADDITIONAL PAYA-EFT RESPONSIBILITIES.** Paya-EFT will accept, as applicable, entries via check reader hardware, MERCHANT'S payment gateway, double sided check images from a Paya-EFT approved check imager/software vehicle, ACH Debit software, and Checks-By-Phone Gateway on a 24-hour per day basis. Paya-EFT is only responsible for processing entries that have arrived at its premises in a proper format and on a timely basis. Paya-EFT will use information provided by MERCHANT to originate its entries in the applicable Remote Check Deposit (Check 21 Plus) network or ACH. MERCHANT understands and agrees that Paya-EFT may reject MERCHANT'S entries for any reason permitted in this Agreement and/or if acceptance of such entry would cause Paya-EFT to potentially violate any federal, state or local law, rule statute, or regulation, including without limitation any Federal Reserve or other regulatory risk control program. At MERCHANT'S written request, Paya-EFT will make reasonable efforts to reverse or delete an entry, but will under no circumstance be liable for the failure to comply with such request.
23. **LIMITATION OF LIABILITY AND MERCHANT'S WAIVER OF DAMAGES.**
  - a) In addition to any limitation of liability appearing in any other provision of this Agreement, Paya-EFT shall not be liable for any of the following types of Loss, regardless of the form of action, whether in contract, tort (including negligence), strict product liability, or otherwise, even if such Loss were foreseeable and even if Paya-EFT has been advised of the possibility of such Loss: (1) any indirect, special, punitive, exemplary, incidental, or consequential Loss of any kind, (2) loss or interruption of use, business, profits, sales, bargain, contract, opportunity, goodwill or anticipated savings, or (3) loss or corruption of data or otherwise; and (ii) the maximum aggregate liability of a Party for any liability and any cause of action arising under or in connection with this Agreement, howsoever arising (including by way of negligence or any other theory of law), shall be limited to the fees paid by Merchant to Paya-EFT during the three (3) months immediately preceding the date on which the relevant cause of action arose. For greater certainty, any amounts paid by Paya-EFT pursuant to this Section shall reduce the liability limit applicable to such claim by such amounts for any period for which Paya-EFT may be required to pay Losses thereafter.
  - b) Paya-EFT shall have no liability in relation to any of Merchant's dealings with any third-party person directly contracting with the Merchant (including any breach by a third-party person directly contracting with the Merchant or Merchant of any agreement between Merchant and a third-party person directly contracting with the Merchant) or any decision, action or omission of a regulatory authority including, without limitation, with respect to Settlements or availability of funds.
  - c) Paya-EFT shall stand in the place of each of its affiliates with respect to any claims, actions or proceedings arising out of the Agreement in respect of the Services Merchant receives from Paya-EFT. Merchant acknowledges and agrees that its sole remedy, if any, for Paya-EFT'S or any of its affiliates' failure to provide the Services as provided for in the Agreement shall be against Paya-EFT pursuant to the terms of the Agreement, and that Merchant hereby expressly waives any and all separate claims against any Paya-EFT affiliate performing any part of the Services. This waiver shall apply whether such claim arises out of contract or tort law, or whether such claim lies in equity or at law and regardless of whether either party knew or should have known of the likelihood of damages arising out of such a claim.
  - d) Notwithstanding the provisions of this Section, nothing in this Agreement shall limit or exclude any other Loss which cannot by Applicable Law be limited or excluded.
  - e) Third Parties. Merchant acknowledges and understands that certain components of the Paya-EFT services will rely on third parties (such as Paya-EFT'S communication carrier or clearing houses, ISPs, banks, processing networks, money transfer systems, external data bases, etc.) and are subject to such third party's solvency, acts or omissions, performance, availability, service levels, availability of processed funds, and terms and conditions. Paya-EFT shall not be responsible for the acts and omissions of third parties.
24. **FORCE MAJEURE.** Paya-EFT shall not be responsible for delays, nonperformance, damages, lost profits or other Losses caused directly or indirectly by any Act of God, including, without limitation, fires, earthquakes, tornadoes, hurricanes, wars, labor disputes, communication failures, legal constraints, power outages, data transmission loss or failure, incorrect data transmission or any other event outside the direct control of Paya-EFT.
25. **CONFIDENTIALITY.** Each party acknowledges that all other materials and information disclosed to the other party ("Recipient") in connection with the performance of this Agreement, including any trade secret, process, technique, algorithm, computer program (source and object code), design, drawing, formula, business plan or test data relating to any research project, work in process, future development, engineering, marketing, servicing, financing, strategic partnership or personnel matter consist of confidential and proprietary data. Each Recipient will hold those materials and that information in strict confidence, and will restrict its use of those materials and that information to the purposes anticipated in this Agreement. If the law or legal process requires Recipient to disclose confidential and proprietary data, Recipient will notify the disclosing party of the request. Thereafter the disclosing party may seek a protective order or waive the confidentiality requirements of this Agreement, provided that Recipient may only disclose the minimum amount of information necessary to comply with the requirement. Recipient will not be obligated to hold confidential any information from the disclosing party which (a) is or becomes publicly known through no act or omission of the Recipient, (b) is received from any person or

- entity who, to the best of Recipient's knowledge, or Recipient's reason to know, has no duty of confidentiality to the disclosing party, (c) was already known to Recipient prior to the disclosure, and that knowledge was evidenced in writing prior to the date of the other party's disclosure, or (d) is developed by the Recipient without using any of the disclosing party's information. MERCHANT further warrants and agrees that it shall not sell, purchase, provide, or exchange checking account information in the form of sales drafts, mailing lists, tapes, or any other media obtained by reason of a transaction or otherwise, to any third party other than to Paya-EFT, MERCHANT'S agents approved by Paya-EFT for the purpose of assisting MERCHANT in its business to Paya-EFT, the financial institution named on the check, or pursuant to lawful government demand without the account holder's explicit written consent. All media containing checking account numbers must be stored in an area limited to selected personnel until discarding and must be destroyed prior to or in connection with discarding in a manner that will render the data unreadable. MERCHANT will not disclose and will keep confidential the terms and conditions of this Agreement.
26. **INDEMNIFICATION.** Merchant shall at its expense and upon demand indemnify, defend and hold harmless Paya-EFT and its affiliates and Paya-EFT and its affiliates' respective employees, officers and directors ("Paya-EFT Indemnified Parties") from Losses, which Paya-EFT suffers or incurs in relation to any Claim brought against Paya-EFT Indemnified Parties by a third party where such Claim is caused by Merchant or arises out of any breach of this Agreement by Merchant or as a result of, or in connection with Merchant's misrepresentation, breach or failure to comply with the Rules or applicable law or regulations and/or with respect to Merchant's websites, trademarks, products or services, and where relevant to Paya-EFT's use of the above, and including without limitation, in relation to actual or alleged infringement, misappropriation, or violation of any third-party intellectual property rights. "Claim" means, collectively, each action, cause of action, dispute, controversy, complaint, suit, litigation, proceeding, claim, demand or assessment, fine or similar charge whether arising in contract, tort or otherwise. "Losses" means, collectively, any liability of any kind, loss, claim, damage, interest, fine, penalty, fee, charge, cost and/or expense (including reasonable and properly incurred legal and other professional fees, costs and/or expenses). For further certainty, without limiting the foregoing, Merchant shall indemnify, defend and hold harmless the Paya-EFT Indemnified Parties from Losses suffered or incurred in connection with any dispute between Merchant and a customer regarding Merchant's acts or omissions, including any alleged or actual failure to process a transaction as requested by such customer or to provide data security.
27. **SECURITY INTEREST.** (a) This Agreement is a security agreement under the Uniform Commercial Code. MERCHANT grants to Paya-EFT a security interest in and lien upon: (i) the account designated by MERCHANT for settlement and all funds at any time in such account, whatever the source of such funds, (ii) the Charge-back and Return Reserve Account (as defined above) and all funds at any time in the Chargeback and Return Reserve Account, whatever the source of such funds, (iii) all MERCHANT's rights relating to this Agreement including, without limitation, all rights to receive any payments or credits under this Agreement; and (iv) all MERCHANT deposit accounts now owned or hereafter acquired and the proceeds of all of the foregoing (collectively, the "Secured Assets"). Upon request of Paya-EFT, MERCHANT will execute one or more financing statements or other documents to evidence this security interest. MERCHANT authorizes Paya-EFT and appoints Paya-EFT its attorney in fact to sign its name to any financing statement used for the perfection of any security interest or lien granted in this Agreement. These security interests and liens will secure all of MERCHANT's obligations under this Agreement and any other agreements between MERCHANT and Paya-EFT including, but not limited to, MERCHANT's obligation to pay any amounts due to Paya-EFT. With respect to such security interests and liens, Paya-EFT will have all rights afforded under the Uniform Commercial Code, any other applicable law and in equity. Paya-EFT may exercise its rights under this Agreement to collect any amounts due to Paya-EFT including, without limitation, rights of set-off and recoupment.
28. **IRS REPORTING AND WITHHOLDINGS.** Section 6050W of the Internal Revenue Code ("Code") requires payment providers and third party payment networks, such as Paya-EFT, to report payment settlement amounts to the Internal Revenue Service ("IRS") for each merchant processing through Paya-EFT. Merchant shall verify its identity by providing Paya-EFT with a Tax Identification Number ("TIN") such as a Social Security Number (SSN) or Employer Identification Number (EIN) for each Merchant Account. In the event Merchant fails to provide its TIN, Paya-EFT will place a restriction on Merchant's Account and may restrict the receipt of funds into Merchant's Account, or withhold a percentage of payments deposited into Merchant's Account in order to satisfy the backup withholding requirements of the IRS. Paya-EFT may charge up to \$25.00 annually for associated administrative costs.
29. **NON-WAIVER.** Neither the failure nor any delay on the part of Paya-EFT to exercise any right, remedy, power or privilege hereunder shall operate as a waiver thereof or give rise to an estoppel nor be construed as an agreement to modify the terms of this Agreement, nor shall any single or partial exercise of any right, remedy, power or privilege with respect to any occurrence be construed as a waiver of such right, remedy, power or privilege with respect to any other occurrence. No waiver by a party hereunder shall be effective unless it is in writing and signed by the party making such waiver, and then such waiver shall apply only to the extent specifically stated in such writing.
30. **ASSIGNMENT.** MERCHANT may not assign or transfer any rights under this Agreement unless and until it receives the prior written approval of Paya-EFT. Paya-EFT may freely assign this Agreement, its rights, benefits and duties hereunder.
31. **TERMINATION.** This Agreement shall continue indefinitely unless and until terminated by either party. MERCHANT may terminate this Agreement after one (1) year and thereafter upon sixty (60) days written notice to Paya-EFT of termination and monthly minimum and subscription fees will continue in effect for this time. If either party terminates this agreement a fee as set forth in the Application will be assessed and electronically debited from MERCHANTS account. Paya-EFT shall have the right to suspend or terminate this Agreement immediately and without notice to MERCHANT.
32. **COUNTERPARTS.** This Agreement may be executed in one or more counterparts, each of which shall be deemed to be an original, such counterparts to constitute but one and the same instrument.
33. **SCHEDULE OF FEES.** Attached to this Agreement and incorporated herein by reference is a Schedule of Fees, which contains the, as applicable, Discount Fee, Transaction Fees, Return Fee per returned item, Minimum Monthly Discount Fee, Subscription Fee, Batch Out Fee, Monthly Check 21 Access Fee, Termination Fee and other terms and conditions in effect on the commencement date of this Agreement. Paya-EFT reserves the right at all times to unilaterally change all or part thereof, or any other terms of this Agreement upon written notice to MERCHANT.
34. **APPLICATION FEE.** Any application fee paid to Paya-EFT is non-refundable whether or not MERCHANT and this Agreement are accepted by Paya-EFT.
35. **ENTIRE AGREEMENT.** This Agreement, including the attached Schedules, together with the Account Agreement, is the complete and exclusive statement of the agreement between Paya-EFT and the MERCHANT with respect to the subject matter hereof and supersedes any prior agreement(s) between Paya-EFT and the MERCHANT with respect to the subject matter. In the event of any inconsistency between the terms of this Agreement and the Account Agreement, the terms of this Agreement shall govern. In the event the performance of the services provided herein in accordance with the terms of this Agreement would result in a violation of any present or future statute, regulation or government policy to which Paya-EFT, the Originating Depository Financial Institution (ODFI) or MERCHANT is subject, and which governs or affects transactions contemplated by this Agreement, then this Agreement shall be deemed amended to the extent necessary to comply with such statute, regulation or policy and Paya-EFT, the ODFI and MERCHANT shall incur no liability as a result of such changes except as provided in the following paragraph.
36. **AMENDMENTS.** As stated in paragraph 35, Paya-EFT, the ODFI or MERCHANT may amend operations or processing procedures in order to conform to and comply with any changes in the Rules or applicable Federal or State Regulations. The changes would be, without limitation, those relating to any cut-off time and the close of any business day. Such amendments to operations or procedures shall become effective upon receipt of written notice to the other party, as provided for herein, or upon such date as may be provided in the Rules or applicable law or regulation referenced in the written notice, whichever is earlier in time. Use of the ACH or Remote Check Deposit (Check 21 Plus) services after any such changes shall constitute acceptance of the changes by the parties. Further, Paya-EFT may, from time to time, amend any provision of this Agreement, including, without limitation, those relating to the fees and charges payable by MERCHANT by providing written notice to MERCHANT of the amendment, and the amendment shall become effective unless Paya-EFT receives MERCHANT's notice of termination of this Agreement within 7 days. Amendments due to changes in the Rules or any law or judicial decision may become effective on such shorter period of time as Paya-EFT may specify if necessary to comply with the applicable Rule, law or decision. No other amendments or modifications to this Agreement will be effective unless such changes are reduced to writing and are signed by the duly authorized party or parties to this Agreement and such Amendments are incorporated into and made a part of this document.
37. **BINDING AGREEMENT; BENEFIT.** This Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective legal representatives, successors and assigns. This Agreement is not for the benefit of any other person or entity and no other person or entity shall have any right against Paya-EFT.

Merchant acknowledges that it is customary for Paya-EFT to hold in reserve from Merchant an amount equal to three times the daily average of returns. Paya-EFT reserves the right to hold additional monies as necessary to reduce any risk associated with daily processing of ACH Debits/Credits. Paya-EFT also reserves the right to move monies into an account of its choosing to hold it against returns to those monies and providing to the merchant a net deposit after a period of time acceptable to Paya-EFT. MERCHANT acknowledges that failure to submit batchfiles for processing will delay funds being deposited. If so requested by Paya-EFT, the signed Recurring or One-Time Debit/Credit Payment Plan Authorization Form must be sent out and received at Paya-EFT's designated location within 48 hours from the request date. Failure to do so will remove Paya-EFT's obligations under the Guarantee program for such ACH Debits/Credits at Paya-EFT's sole discretion.
