

Square Payroll

Savor seamless employee wages and tax compliance.

[Get started →](#)

Import timecards and tips with [Square Staff](#).

Track and import direct tips and timecards automatically to ensure accurate pay runs or upgrade to pool and split tips.

Unlimited pay runs and off-cycle payments at no extra cost.

Many payroll providers charge for each pay run, but with Square you can pay your team as many times as you want within the month.

Onboard easily and get live support from Square Payroll specialists.

Get customer support as you onboard and ensure that you are set up for success. Plus, you can send your team members a link so they can easily self-onboard when hired.

Square Payroll helps you pay your people and protect your business so everyone is happy and productive.

Integrated payroll software

Do everything together.

- ✔ Manage your payroll, team, and sales from your Square account.
- ✔ Manage multiple pay rates, and pay with direct deposit, manual check, or Cash App.
- ✔ Process next-day payroll with Square Checking.

Taxes and compliance

Get help with the hard stuff.

- ✔ Automatic payroll tax calculations, so you can avoid costly errors.
- ✔ Ongoing state and federal tax filings, including quarterly and annual filings.
- ✔ (Add-on) Pay-as-you-go workers' compensation that syncs with Square Payroll.

What they're saying

“Easy to use, great online access, extremely affordable payroll, compared to ADP and PayChex providers I used.”

— Rick M., Fun Unlimited
