# Happy staff leads to happy customers

Streamline your restaurant operations with our integrated POS and staff management tools for front and back of house.

✓ **Keep your team organized**

- Safeguard sensitive info with granular permissions and access controls
- Keep shifts covered with integrated scheduling and time-tracking tools
- Lower your payroll costs and add flexibility with unlimited free payruns
- Save time with integrated labor and sales data for employee payouts, tip pooling and taxes
- Simplify your daily operations with integrated partners for 401(k), health insurance, and workers' comp

✓ **Keep your staff happy**

- Let employees manage schedules in one easy-to-use mobile app
- Offer more control and visibility into wages and benefits
- Allow employees early access to a portion of their earned wages and faster access to their paychecks*
- Simplify timecards by using the POS to track shifts that sync with payroll
- Increase satisfaction and retention with health insurance and 401(k) benefits

*Eligibility required
