

Square Terminal

Take Payments. Get Paid. No Surprises.

What you're getting

The old way of taking payments finally made new

Square Terminal is an all-in-one portable POS terminal that lets you ring up sales, accept payments, print receipts, and do it all in style.

Fair pricing, no monthly costs, no hidden fees

There are a lot of fees out there: statement fees, chargeback fees, PCI compliance fees - the list goes on. We don't do any of that. Pay one flat rate for every tap, dip, or swipe. Get your funds as fast as the next business day.

We've got you covered

Our data security protects you and your customers, and we manage payment disputes so you don't have to.

24/7 phone support

Sell confidently with 24/7 phone and email support, and next business day hardware replacement.
