

The turning point for point of sale.

The brand-new Square Register gives you more power, more speed, and more reliability—all in one integrated system.

What you're getting

- ✓ **More power: The first fully integrated system**
Square Register gives you payments, software, and hardware together so you can start selling right out of the box—no extra tablets or apps required.
- ✓ **More speed: New dedicated customer display**
The customer-facing display shows customers what they're buying so you can sell accurately. Customers pay on the display with a simple tap, dip, or swipe, and the fast card-processing speed keeps your line moving.
- ✓ **More reliability: Square from top to bottom**
Square Register is built entirely by Square, so you can sell confidently and know everything just works.
- ✓ **No hidden fees: 2.6% + 15¢ per tap, dip, or swipe**
Accept all major credit and debit cards for 2.6% + 15¢ per tap, dip, or swipe. Get funds transferred as fast as the next business day.

*All credit sale plans are issued by Square, Inc. Plans are not available to merchants located in AK, AL, DE, MS, MO, NH, and TN. The individual authorized to act on behalf of the business must be a U.S. citizen or permanent resident and at least 18 years old. Valid U.S. bank account and Social Security number or Individual Taxpayer Identification Number are required. Plans may be selected from 3-, 6-, 12-, or 24-month terms and are based on the financing amount requested. The finance charge amount and installment payment amounts will depend on the repayment term selected. Sales tax, where applicable, cannot be financed and will be due upon acceptance of contract. The final payment will be equal to or less than the regular monthly payment. All plans are subject to approval based on credit and other factors. M-LIT-0170-01
